WHAT COACHES ARE SAYING ABOUT CAMP:

"There are some camps where student-athletes walk away becoming better at their sport. And there are some camps that kids walk away having dived deeper into their faith. But I know of no other camp where both of these things happens so completely as it does at FCA's 'Whole Athlete' camp. Jorge does an amazing job of gathering the finest soccer coaches, and he combines it with small groups and team meetings about really important life stuff. My kids are grown now, but there were in high school, I know where they would be spending one week of their summer!" Dr. Mike Giuliano—former Wheaton College Coach and current GAC Girls Coach.

2016 Theme: RISE

"This is my command—**BE STRONG & COURAGEOUS!** Do not be afraid or discouraged. For the Lord your God is with you wherever you go" Joshua 1:9

Every competitor faces a moment in his or her career when they must rise. Rise to the challenge. Rise and take your place on the field. Rise when you've been knocked down or defeated. Rise together as a team. It takes **STRENGTH, COURAGE** and **COMMITMENT** to rise, give your all and make the moment count.

Yet, you don't have to stand alone. Our God promises to be with us. He will give you the strength and courage to carry your faith into your sport and make a difference for Him. You can do it. God is with you. God is **FOR** you. Rise!

"For the past four summers I have had the privilege to serve as a staff coach with FCA's Whole Athlete Soccer Camp. Without question the FCA camp experience is unique in that it combines a competitive training environment with an emphasis on the personal and spiritual development of each player. I believe all who attend will leave challenged to pursue excellence on the field, strong character in their personal lives and most importantly, a deeper relationship with God." Joey Johnson—College Coach
